The Foundation

I met Mike at the CMT in ninth grade, when he was teaching me mathematics. After a few years, we met again, and they have given me the opportunity to study for the career I have now. Thanks to the foundation that has supported me morally and financially. DEOF is a great opportunity and a blessing to move forward.

2024 Update:

Now I live close to the place called "Mitad del Mundo", my son is 4 years old, I am in charge of my parents. I take care of elderly people at night and during the day I have a part-time job as a hairstylist.
